Dear Ravi Raj,

Greetings from CISCom 2026!

We congratulate you that your paper with submission ID 175 and Paper Title 'Handwritten Devanagari Character Recognition Using a Separable Convolutional Neural Network with Dynamic Learning Rate Scheduling' has been accepted for oral presentation at Second International Conference on Computational Intelligence and Soft Computing (CISCom 2026), to be held at L-Università ta' Malta, Europe, Msida, Malta (Europe) during 14-16 October 2026. The conference is held in hybrid mode and those who are unable to attend physically can present their paper in online mode. Your accepted and presented paper in CISCom 2026 will be published in prestigious Springer CCIS series [Indexing: SCOPUS, INSPEC, WTI Frankfurt eG, zbMATH, SCImago; All papers published in the series are submitted for consideration in Web of Science]. To confirm your participation and publication at this highly anticipated event, you are requested to complete your registration as early as possible after the receipt of this mail. We want to provide you with urgent information as detailed below.

Next Immediate Steps to be followed:

1. Mandatory Registration

- a) You are requested to do the registration as soon as possible by going to the link <https://ciscom.org/registration/>
- b) Please select your appropriate category of registration.
- c) The minimum page length for the manuscript is 8 and maximum page length is 11. There is an additional page charge beyond 11 pages and up to a maximum of 14 pages only
- d) Once registered, fill out the registration form available on the registration portal without fail. Alternatively you can fill here <https://forms.gle/582datY4eJZyrvEJA>

2. Address Reviewers' Comment

- a) Please revise your manuscript based on the reviewers' feedback to improve the final version of camera-ready paper and the final paper should be in Springer CCIS Template as given on website under download section.
- b) You can find the reviewer comments by logging into your CMT account.
- c) You need to revise your manuscript especially the figures and Tables and see no caption are missed out.
- d) Please ensure that all figures and tables include appropriate and complete captions. Additionally, verify that each figure and table is properly cited in the main text in sequential order, and that the numbering is consistent throughout the manuscript
- e) Also, you need to see all your citation are cited in text and in corresponding reference section. Citation should be in ascending order and it should not be random.
- f) Authors are strictly instructed not to include any citations, references, or bibliographic entries in the Abstract and Conclusion sections.
- g) Make sure all equation should be written using equation editor and there should be no image copy pasting of equations. If found so during proofreading it will be dealt seriously.

Important Points

1. Prepare your manuscript strictly in the Springer CCIS format. you can visit here <https://ciscom.org/call-for-papers/#idl>
2. After the registration, fill the registration form. For registration confirmation, automatically we will be updating your CMT paper status as "Registered". This will mean that your paper fees is received and paper is registered.
3. The maximum plagiarism limit for this conference is 10-15% excluding all sources and bibliography/reference with three word setting. Make sure your final camera ready paper does not cross this limit. If the plagiarism is detected at any stage during and after submission of proceeding to publisher, your paper will be removed from the proceedings and it will not be published.
4. For all details and important updates, please continue visiting our website regularly at <https://ciscom.org/>

We look forward to your participation at CISCom2026 and an engaging conference experience! !!

If you have any questions, please feel free to reach out at chairciscom@gmail.com

Thanks and Regards,
